

Dear Pastors, Educators and Exhibitors,

I am looking forward to hosting the Educators' Convention here at State Line Christian School September 30 & October 1 with great anticipation. We are thrilled to have the opportunity to help challenge and encourage others for the cause of Christian education.

I would like to personally invite all of you to our Wednesday evening service, the Wednesday night before the convention (September 29) in our church auditorium. The service will start at 7:00 p.m.

If you are in town already and would like to join us, we would be most honored to have you with us. If you are a Pastor, educator, or an exhibitor, we would like to recognize you and your church/school/business during our evening service. I look forward to our time together and our challenge from God's Word.

I hope to see you there!

Pastor Hobbins
